Continuation of Substance of Interview including description of the general nature of what was discussed: It was agreed that Applicant's amendment of claims 1 and 8 in the light of the applicant's arguments presented and fig.1-5 and associated texts of the specification would overcome the prior art if the limitation "which is at least one of a card or a book type" be removed from the claims in order to avoid confusion. Applicant agreed that deletion of the above limitation based on examiner suggestion to be done by examiner amendments in order to expedite the process of the examination.

It was further agreed that claim 16 be cancelled by examiner amendment..
